~ Career History ~

Iraq (Nationwide) **SMITH JOHNSON & ROCK (SJR)** 2010 (Feb) – Present

Project Lead

General Site Manager

Rehired (management roles in 2003-06) to direct teams over vehicle maintenance, bulk/retail fuel operations, ammunition supply point, multi-class/engineer supply support, Class I operations, joint cargo distribution centers, and laboratory fuel testing. Oversaw contract administrative change orders, property administration, logistical data management, operations reports, and resource management/allocation.

- Guided **26+ projects** over entire Northern Region of Iraq, leading **500+ workforce**.
- **Promoted to Project Lead** to oversee critical Theater Mission during transition between contracts, leading personnel of around **1500**: Iraqi citizens, foreign nationals, and US direct-hire personnel.
 - Directed operating budget of **\$40+ million**.
- Assigned operation/oversight of air hub and post office, as well as transportation equipment assets of 600+ (e.g. tractor trailer fleets, material handling equipment (MHE), and container handling equipment).
- Interacted with US government divisions: administrative contracting, government compliance, budget planning/review, human resources, and new construction projects.

Hit, Iraq **BURKINS, INC.** 2008 – 2009

Quality Control Manager / Site HSE Representative — Covered all aspects of safety for **\$24 million** remote construction project employing 380+ personnel working 12-hour shifts. Trained local national workforce and subcontractors in western safety practices. Documented (as QC manager) all definable work features.

- Implemented **Air Force Center for Environmental Excellence** safety initiatives, maintaining government documents required for major Department of Defense (DoD) contracts.
- Implemented bi-weekly safety topic discussions in host's national language for subcontractor workforce.
- Achieved **zero Lost Time Accidents** recorded over a span of 730,000 man-hours.

~ Career History ~

Baghdad, Iraq REED CONSTRUCTION 2006 – 2007

Construction Manager / Site HSE Representative — Headed the oversight and managing of safety programs for eight projects of \$40+ million. Trained 1000+ local nationals in western safety practices. Executed multiple safety initiatives (and requirements for implementing force-protection improvements and techniques) within a hostile environment, under **daily rocket and mortar attacks**.

- Managed projects/contracts up to **\$2.5 million**. Directed subcontractors in installations/renovations:
 - **Project list:** City utilities of six structures at the Baghdad Police College; seven barracks buildings at Iraqi Military Academy Rustamiyah; Adnan Palace for Baghdad Operations; Center for Iraqi Army Commander; and Iraqi National Operations Center in Baghdad.
- Maintained **Air Force Center for Environmental Excellence** contractual documentation for safety/QC.

Iraq (Nationwide) SMITH JOHNSON & ROCK (SJR) 2003 – 2006

Senior Corporate Manager — Ar Ramadi (May 05–Aug 06); Al Fallujah (Dec 04–May 05); Scania (July 03–Apr 04)

- Launched (site manager) three base camps with **\$290+ million** in operational resources. Supervised all design, construction, operations, and maintenance. Managed up to **650 personnel**.
 - Interpreted contractual requirements and strategic long term planning.
- Built structures for dining, laundry, electrical, plumbing, and fresh water needs. Advised on budgets. Developed Scope of Work, Rough Order of Magnitude, and Standard Operating Procedures.
- **Jumpstarted 30+ stalled projects during frequent insurgent attacks.**

Ammunition Supervisor — 2003 (Jan–July) Safawi, Jordan: ammunition storage facility aiding military operations.

- Supervised the design, construction, and daily ammunition operations that supported Operation Iraqi Freedom for US Army and Air Force. Managed 11 ammunition handlers.
 - Served as custodial officer in the absence of military accountable officer.
- Completed six-month appointment with **zero loss of ammunition**.

~ Early Experience ~
